More

Joining a scheduled meeting?

Press to enter a scheduled Skype® for Business or Microsoft Teams™ meeting.

Starting a new meeting?

Press the "New Meeting" button, then add whomever you want on the next page.

Starting a new call?

Press the "Dial Pad" button, and start a call the way you would from your desk.

What is Crestron Flex?

All rooms feature:

- One touch to join meetings for both Skype for Business and Microsoft Teams
- Easy to create Skype for Business meetings
- Present to the Skype for Business/ Teams conference
- Make a phone or conference call (using Dial Pad)

How do I report a problem?

Email:

Please list the room location (building, floor, number), time of incident, and a brief description of the issue encountered.
