## Swivel Mount for TPMC-V12-TILT, TPMC-V15-TILT, V12-TILT, & V15-TILT

The SMK-V15 swivel mount is an optional mounting accessory for any 12" or 15" Tilt model V-Panel™ Touch Screen. Specifically, it is compatible with the **V12-TILT** and **V15-TILT** V-Panel™ Tilt HD Touch Screen Displays, and the **TPMC-V12-TILT** and **TPMC-V15-TILT** V-Panel Integrated Tilt HD Touch Screens. The swivel mount provides a means of permanently mounting the touch screen base to a table, desk, or counter top surface while retaining the ability to rotate it for optimal positioning. The swivel range can be customized using optional limit screws, with a maximum of 330-degree rotation allowed.

The swivel mount may be installed on any flat, level surface with a thickness of 1 inch (25 mm) minimum to 1 3/8 inch (35 mm) maximum. Wiring may be routed through the center of the swivel mount, passing beneath the mounting surface for a completely hidden appearance. Consult the installation manual for dimensions, clearances, and complete mounting instructions.
