

Power Outlet Module: FTA-PWR-221

The Crestron® FTA-PWR-221 International AC Power Outlet Module is designed to provide an ac power outlet within a 600 Series FlipTop™ connection compartment.

The FTA-PWR-221 is rated 10 amps (total) at 220-240 Vac, 50/60 Hz.

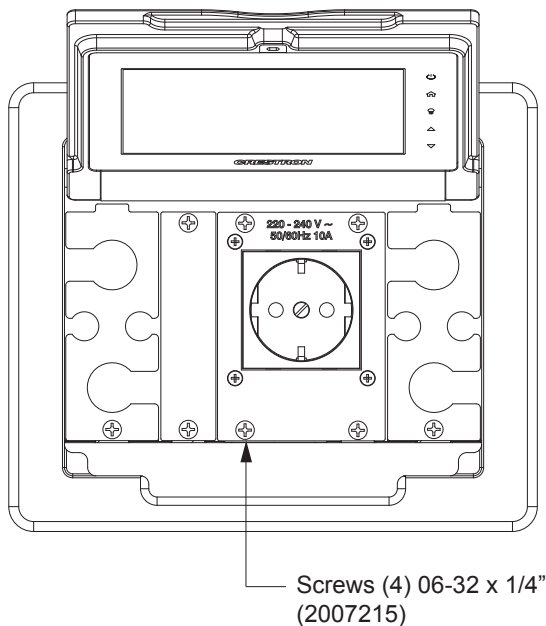

Supplied Hardware for the FTA-PWR-221

DESCRIPTION	PART NUMBER	QUANTITY
Screw, 06-32 x 1/4", Steel, Pan, Phil	2007215	4

The FTA-PWR-221 occupies three connector plate slots in a 600 Series FlipTop. Use the following procedure to install the FTA-PWR-221.

1. Prepare the FlipTop by removing the six screws that secure three adjacent, blank connector plates. These can be the three connector plates on the left or the three connector plates on the right.
2. Remove the three blank connector plates.
3. Place the FTA-PWR-221 in position and secure it with four of the six 06-32 x 1/4" screws from step 1. For convenience, the FTA-PWR-221 ships with four replacement screws (2007215).

FTA-PWR-221 Installed in a FlipTop

Further Inquiries

To locate specific information or resolve questions after reviewing this guide, contact Crestron's True Blue Support at 1-888-CRESTRON [1-888-273-7876] or, for assistance within a particular geographic region, refer to the listing of Crestron worldwide offices at www.crestron.com/offices.

To post a question about Crestron products, log onto Crestron's Online Help at www.crestron.com/onlinehelp. First-time users must establish a user account to fully benefit from all available features.

Future Updates

As Crestron improves functions, adds new features, and extends the capabilities of the FTA-PWR-221, additional information may be made available as manual updates. These updates are solely electronic and serve as intermediary supplements prior to the release of a complete technical documentation revision.

Check the Crestron website periodically for manual update availability and its relevance. Updates are identified as an "Addendum" in the Download column.

Regulatory Compliance

As of the date of manufacture, the FTA-PWR-221 has been tested and found to comply with specifications for CE marking.

The specific patents that cover Crestron products are listed at patents.crestron.com.

Product warranty can be found at www.crestron.com/warranty.
