- > Simple, secure guest connectivity
- > Quad View capability
- > Auto-disconnect
- > Browser-based management
- > 3-Year and 5-year SLA purchasing options
- > World-class service and support

Provide a simple, scalable, and consistent user experience

Crestron® Workplace Technology Solutions come ready-to-deploy and include everything you need to provide a consistent presentation and collaboration experience for all your meeting spaces.

Open Presentation Space solution featuring AirMedia®

Increase workflow and facilitate collaboration by turning lobbies, lounges, and other open spaces into productive meeting spaces. No furniture, dongles, or dedicated wireless networks are needed. The CE-500 kit features the Crestron AirMedia wireless presentation gateway, which connects to any display to enable wireless presentation from laptops and mobile devices. Secure web based provisioning and enterprise management make AirMedia easy to deploy across thousands of rooms.

What's included:

- Crestron AirMedia wireless presentation gateway
- 6' (1.8 m) HDMI® cable
- World-class service and support

Purchasing options

Crestron makes it easy for organizations to implement Workplace Technology Solutions with purchasing options that work with both capital expenditure (CAPEX) and operating expenditure (OPEX) budgeting cycles. In addition to a one-time “buy now” option, Crestron offers 3-Year and 5-Year SLA pricing options, which allow customers to spread the cost of their technology investment over a 3 or 5 year period.

Included Components

AM-101 AirMedia Presentation Gateway, Qty. 1

CBL-HD-6 High-Speed HDMI Cable, 18 Gbps, 6 ft (1.8 m), Qty. 1

Note: For additional details and specifications, refer to the individual spec sheet for each component.
