

Power Outlet Module: FTA-PWR-262

The Crestron® FTA-PWR-262 Dual International AC Power Outlet Module is designed to provide two ac power outlets within a 600 Series FlipTop™ connection compartment.

Each outlet on the FTA-PWR-262 is rated for 10 amps at 100-240 Vac, 50/60 Hz.

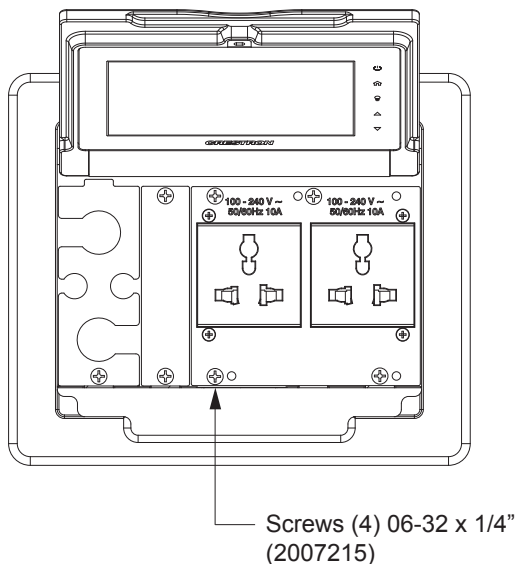

Supplied Hardware for the FTA-PWR-262

DESCRIPTION	PART NUMBER	QUANTITY
Screw, 06-32 x 1/4", Steel, Pan, Phil	2007215	4

The FTA-PWR-262 occupies three connector plate slots and one cable pass-through slot in a 600 Series FlipTop. Use the following procedure to install the FTA-PWR-262.

1. Remove the screws securing a group of three adjacent, blank connector plates and the screw securing the nearest cable pass-through plate.
2. Remove the three blank connector plates and the cable pass-through plate.
3. Place the FTA-PWR-262 in position and secure it with four of the seven 06-32 x 1/4" screws from step 1. For convenience, the FTA-PWR-262 ships with four replacement screws and a card containing four circular stickers that can be used to cover the unused mounting holes.

FTA-PWR-262 Installed in a FlipTop

Further Inquiries

To locate specific information or resolve questions after reviewing this guide, contact Crestron's True Blue Support at 1-888-CRESTRON [1-888-273-7876] or, for assistance within a particular geographic region, refer to the listing of Crestron worldwide offices at www.crestron.com/offices.

To post a question about Crestron products, log onto Crestron's Online Help at www.crestron.com/onlinehelp. First-time users must establish a user account to fully benefit from all available features.

Future Updates

As Crestron improves functions, adds new features, and extends the capabilities of the FTA-PWR-262, additional information may be made available as manual updates. These updates are solely electronic and serve as intermediary supplements prior to the release of a complete technical documentation revision.

Check the Crestron website periodically for manual update availability and its relevance. Updates are identified as an "Addendum" in the Download column.

Regulatory Compliance

As of the date of manufacture, the FTA-PWR-262 has been tested and found to comply with specifications for CE marking.

The specific patents that cover Crestron products are listed at patents.crestron.com.

Product warranty can be found at www.crestron.com/warranty.
